

The background is a dark blue gradient with abstract, glowing blue lines and data points, suggesting a technical or scientific theme. A prominent white line graph with yellow circular markers is visible on the left side. The graph shows a downward trend followed by an upward trend. A data point on the upward trend is labeled with the value '289.33' in a light blue font. Other faint lines and data points are visible in the background, creating a sense of depth and complexity.

Intro to Computer Science Research

MICHAEL A. HEROUX

Tactical Goals

Complete a State-of-the-Field Project

- At the end of the course: Paper & talk on a topic:
 - Background content
 - Technical Analysis
 - Future Trends

Learn approaches for technical topic

- Finding content
- Collaborating
- Discussing
- Writing
- Presenting

Strategic Goals

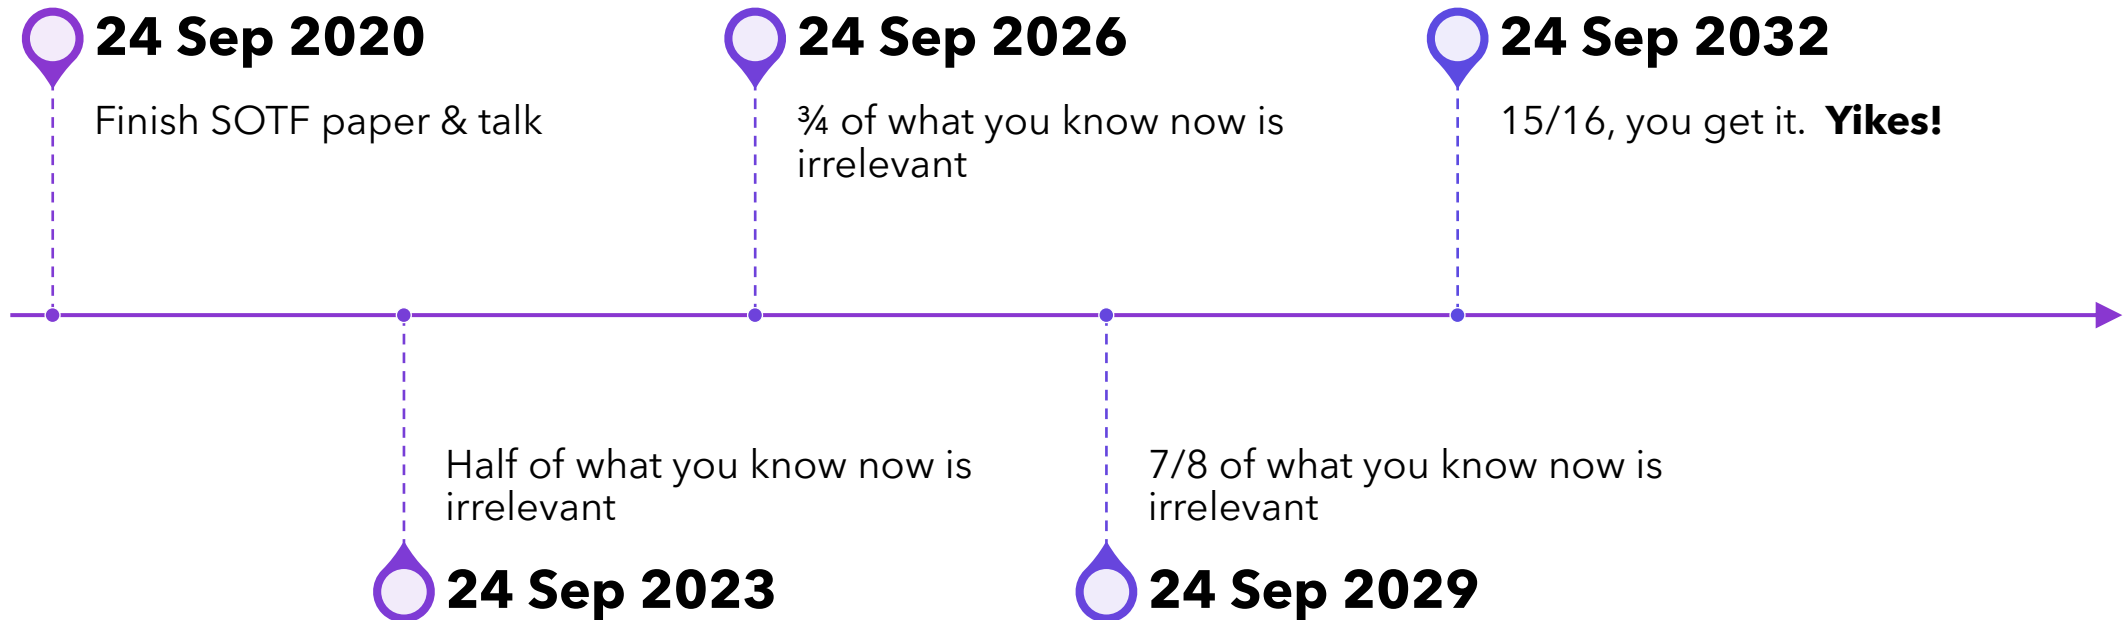

Prepare for professional computing life

- Sustained learning skills and habits
- Presence in the virtual world
- Collaborative approach to life

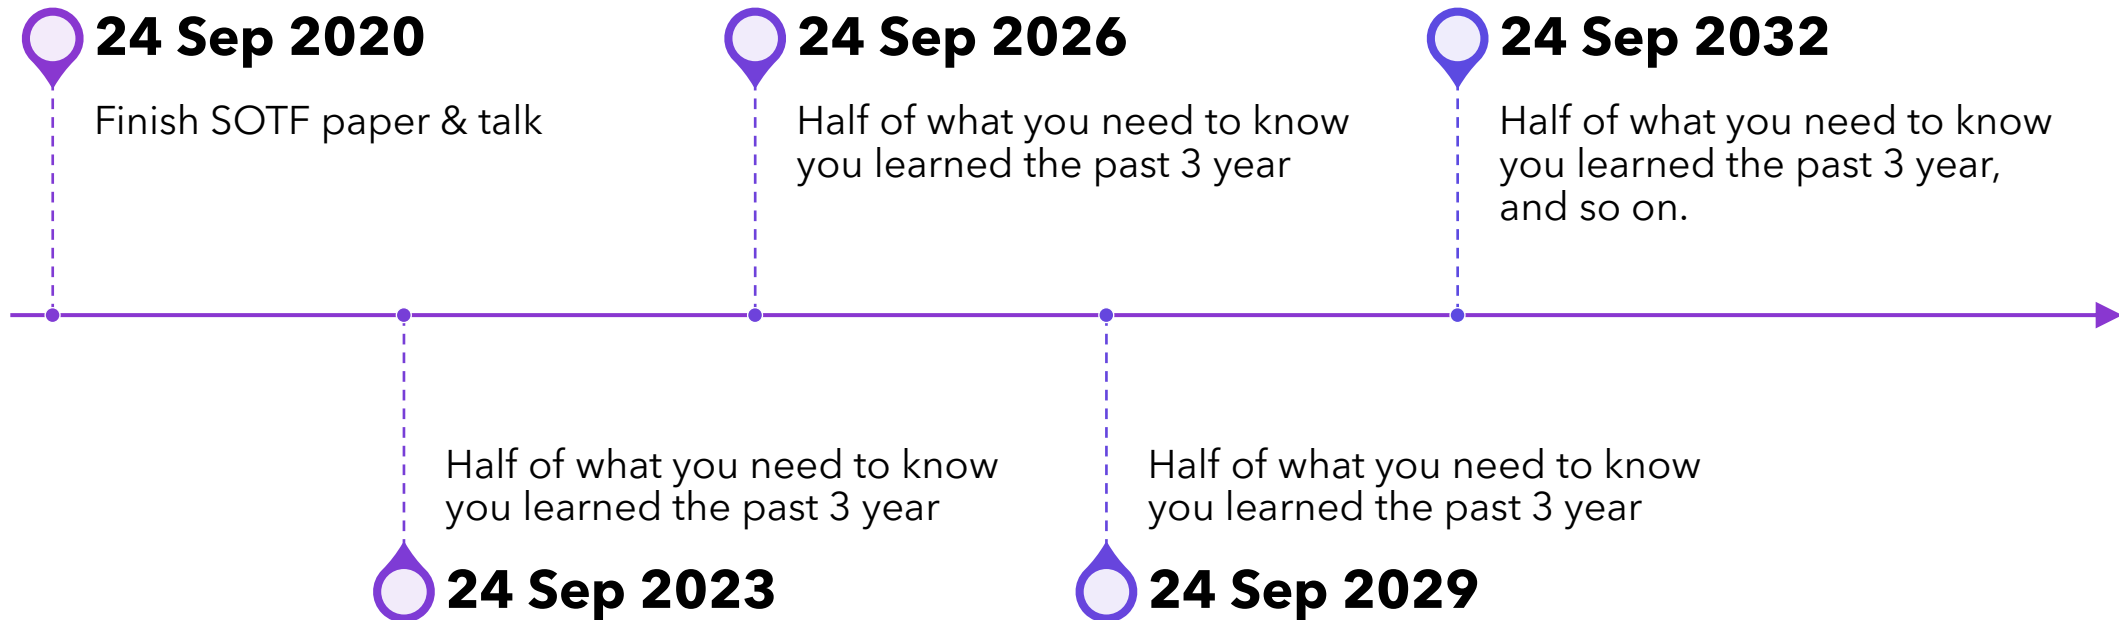

Cultivate a growth mindset

- Execute today's ideas & invest in new ideas
- Do today's job & prepare for next one
- Collaborate today with colleagues & increase your existing network

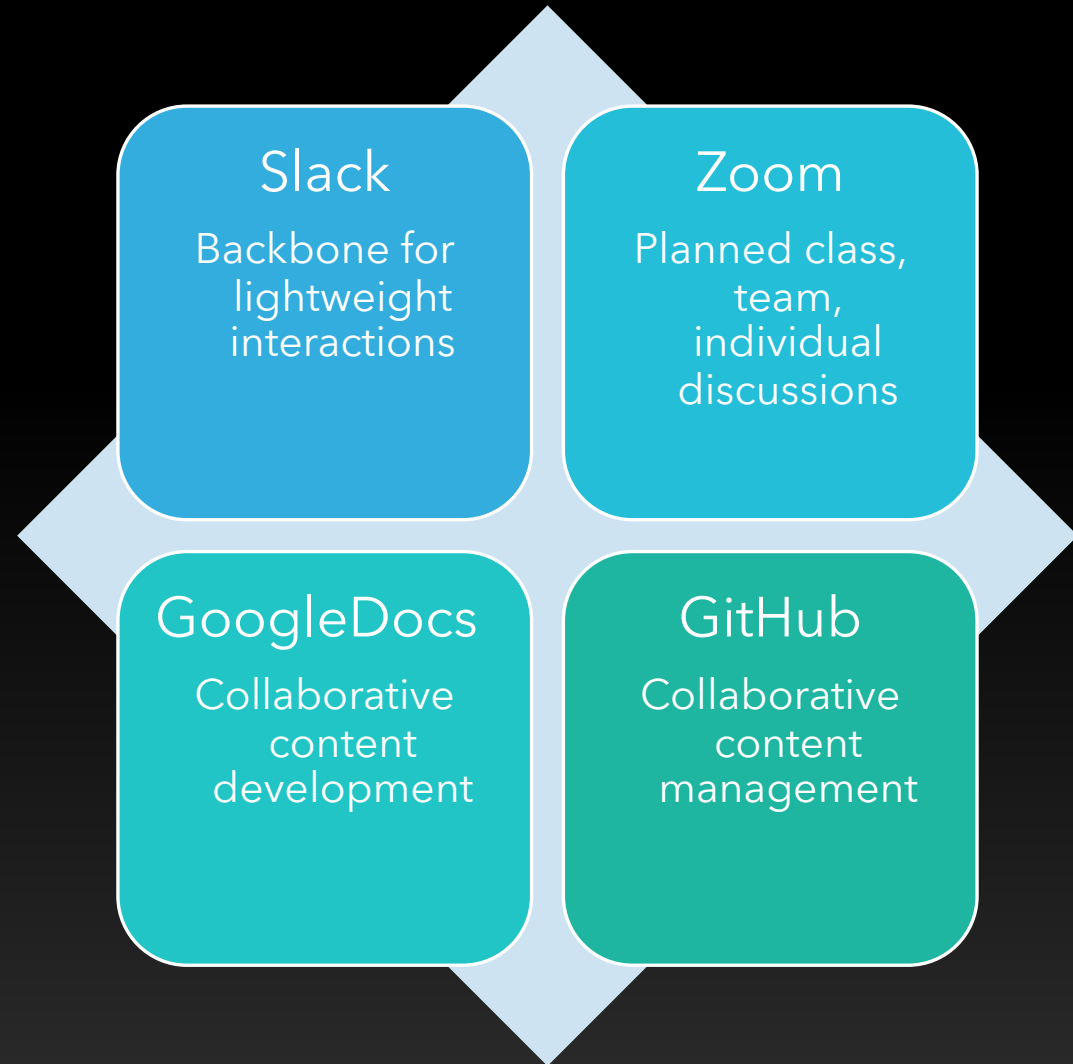

Timeline: CS Knowledge "half life"

Timeline: CS Knowledge Growth

Communication tools

Slack: Creating persistent presence

Enables a virtual team room experience

Have it on your phone, desktop, tablet, Apple Watch

Monitor it regularly

Expectations

Keep strategic goals in mind

- Prepare for professional life
- Cultivate a growth mindset
- Our tactics can change

Be transparent

- Communicate to me and your team about opportunities, challenges
- Communicate early, when issues are just emerging and easier to address

Commit

- Stay focused
- Adapt as needed
